

In this uncertain time, I'm excited to share some good news. Your generosity to our Covid-19 Emergency Response Fund is already providing a lifeline to our partners in Africa and Asia.

I wanted to thank you by giving you the enclosed face mask. It was handmade by a healed fistula survivor in Tanzania as part of her rehabilitation and job skills training program.

As we navigate this crisis, I am more grateful than ever for your kindness and compassion. We are truly stronger because of you. I hope you and your loved ones stay well.

Gratefully,
