

December 2022

Dear Pam,

I hope this letter finds you well and that you are enjoying the holiday season. I am excited to share that many wonderful things are happening at Bethany to bring Christmas cheer to our residents. We are all also eagerly awaiting the completion of the Lobby and Assumption Room renovation, expected in early 2023!

This is a good opportunity to let you know that I am moving on from my position at Bethany after December 30th. I'll be transitioning to an exciting new professional endeavor in executive recruitment for the nonprofit sector as a Partner at Boyden Boston. This is a once-in-a-lifetime opportunity that caught me by surprise. It is a bittersweet feeling as I shift from Bethany employee to supporter and friend.

My successor is our dear Bethany friend, Sherry Fenton, whom you may know. I could not be happier about handing over the reins for the Bethany philanthropy program to Sherry. She is wonderful to work with and will do an excellent job! Sherry will be full-time as of mid-January and looks forward to building new connections throughout the community.

Working at Bethany has truly been one of the highlights of my career. The relationships I developed with colleagues, residents, and Bethany's benefactors mean the world to me. Thank you for your friendship and support.

I wish you much good health and joy in the coming New Year.

Fondly,

Jodi-Joy O'Keefe
