Dear Pamela,

I hope this message finds you well and that you enjoyed Valentine's Day with the people you love.

As I reflect on Valentine's Day, I am amazed by the love and compassion you, our donors, volunteers, friends and supporters, show to thousands of patients and families through your support of Big Bend Hospice.

Love manifests itself in action, and your actions make music therapy, teen bereavement, charity care and many more valuable services available to everyone in our community.

[Have you seen the latest edition of Hospice Heroes, the Big Bend Hospice newsletter?](#) Please take a moment to read about what you make possible in the lives of your friends and neighbors. The evidence of love is on every page.

[It was love that got Ms. Beverly out of the assisted living facility](#) where she lives and brought a smile to her face on her

birthday, (page 3).

It was love that healed Brooke, a young woman struggling with grief and the pain of a difficult childhood, (pages 6 and 7).

And **it was love embodied in music that pierced the haze of dementia** to bond a family one last time, (*page 8*).

Stories like these simply wouldn't be possible without your support. We share these stories because we want you to see what your love accomplishes – and because we want you to know how much you are loved in return.

Happy Valentine's Day!

Sincerely,

Margaret E. Allen
