Dear Pamela,

I've worked in camping for 15 years, and never expected my job as Camp Director to include running a pet show-and-tell activity... on Zoom!

Needless to say, Camp Ten Oaks looked a bit different this year with COVID-19. We didn't get to greet the campers as they got off the bus or spend quiet mornings on the water. There were no boisterous meals shared in the dining hall... But we *did* get to sing songs around a virtual campfire, send our campers care packages full of craft supplies, and run five days of virtual programming filled with laughter!

You make that kind of intentional magic possible. **That's why I'm writing today to ask you to [make a donation to help the Ten Oaks Project weather the challenges of COVID-19.](#)**

As I'm sure you can imagine, things haven't been easy for our small but mighty non-profit. We had to cancel our annual Bowl-A-Thon fundraiser earlier this year, **which meant we lost one of our most vital sources of revenue.** That's money we depend on to help keep our doors open.

We're making plans for the year ahead, and we urgently need your help to ensure we can continue providing safer spaces for kids and youth from 2SLGBTQ+ communities. **We can't do it without you, Pamela.**

[Please help us ensure tiny acorns can flourish into mighty oaks](#) – despite the challenging conditions of COVID-19. **[Your gift today will give children and youth who so often feel alone a chance to find community and celebrate their unique identities.](#)**
