### **You Can Help Protect the Kids with Car Seat Safety**

Helping families understand the importance of car seat safety is critical to a child's well-being. EBC's Protect the Kids (PTK) program equips kids with safety gear and supplies, and educates agency partner providers on how to use the gear properly, helping to keep kids safe.

**Learn more about the Protect the Kids Program and how you can help protect growing bodies and developing minds [HERE](#).**
