Become a Guardian TODAY and be the MIRACLE for animals in need

I'm writing today to ask you to become a member of a very special group of miracle-makers – people whose regular giving changes animals' lives every day

Every day we're called to help animals like the ones you see pictured here:

Puppies like Michael, who was living under a car with his mom, brothers and sisters

Kittens like Muffin, who was orphaned when her mom was hit by a car

Often there's not a moment to spare.

We must make sure the funds are there to come to their aid right away.

Will you consider becoming a Guardian today?

If you join as one of 20 new monthly donors by September 30th, two generous donors will give us an additional \$500 each for a total of \$1,000 to help even more animals!

For as little as \$0.33 a day, you can give the priceless gift of a future to innocent animals. Many of them have been through so much – hunger, thirst, fear, illness.

You can be their safe place – a place where there is enough food, enough medicine, and enough love. With your help, they will be on the path to a life of peace and safety.

I hope you will join this amazing group of dedicated animal lovers. When you become a Guardian, you can celebrate the precious lives you are saving, every day.

Dear

I'm writing today to ask you to become a member of a very special group of miracle-makers – people whose regular giving changes lives every day.

Imagine that someone you cared about needed your help. They were sick, or hurt, or hungry. But you couldn't help them, even though you wanted to more than anything else. You didn't have the resources, or the ability. *It would break your heart.*

The very same thing could happen to us – **but it won't** because of a very special group of caring, loving people. Our Guardians are an amazing group of dedicated animal lovers who ensure that **every** animal receives the care they deserve, **every** day, **every** month, **every** time.

Our Guardians are miracles for animals in need

When 11 puppies unexpectedly entered our program, we knew we could care for them. When 23 cats arrived from a hoarding case, we knew we had enough medical supplies to get them ready for adoption. When a cat arrived with newborn kittens and a serious medical issue, we knew that we could treat her and care for the kittens. *Only because of caring people like you.*

By becoming a Guardian, you can give the priceless gift of a future to innocent animals. Many of them have been through so much – hunger, thirst, fear, illness. You can be their safe place – a place where there is enough food, enough medicine and enough love. With your help, they will be on the path to a life of peace and safety.

I hope you will join this amazing group of dedicated animal lovers. When you become a Guardian, you can celebrate the precious lives you are saving, every day.

**Be a Miracle Today
Become a Guardian**

And, if we can add 20 Guardians in the month of August two of our generous donors will each donate \$500! This means your first Guardian donation will help even more animals!

It only takes a little to make a HUGE difference. For the cost of a fast-food meal, you can save the life of an innocent animal. **And do it over and over again!**

Please fill out the enclosed card or visit: FayetteRegionalHumane.org and click on the "Guardian" link on the front page.

Thank you from every hungry, neglected or homeless animal your love will save,
