FORTUNATELY, NEITHER DO WE. ®

Hello Pam-

Thank you so much for  
believing that all kids with  
autism can learn. We'll  
be in touch!

## You are changing lives.

---

We can't thank you enough for joining COMPASS! Welcome to the movement for change. Together, we can answer the need for services, education, acceptance, and autonomy for the global autistic community.

Your monthly gift is providing Global Autism Project with the consistent support we need to establish new international partnerships, and empower local communities to become trained professionals and advocates in their own communities.

We will transport you to each country we work in by sharing videos from the field, news from our partners, and exclusive footage from our SkillCorps teams! As a COMPASS member, you can watch your gift travel and see the impact you're making across borders. If you have questions or thoughts you'd like to share, please don't hesitate to email Cassie at [cassie@globalautismproject.org](mailto:cassie@globalautismproject.org). We can't wait take this journey with you!

Thank  
you!
