Pamela Grow

Dear Pamela,

You = awesome. Rescues = grateful.

Your recent donation of \$25.64 on 05/21/18 has already helped save abandoned rescues in desperate need!

Because of you, last month alone, HSNEGA saved more than 100 lives including many rescues needing urgent care like Sgt. Tibbs, a tiny, 4-week-old kitten left on our doorstep in a cardboard box, starving, extremely sick, and helpless.

Your generosity also helped save a mama cat who'd given birth to five kittens a few hours before being brought to HSNEGA as well as four orphan kittens around 5-weeks-old, again, dumped at our front door in a box (*photo right*).

With the heavy rains and chilly nights last month, more than likely these homeless babies would not have survived. And the mama cat, while loving, was scrawny, dehydrated and needed vital post-delivery care.

Without you, HSNEGA would not have the resources to care for these homeless kittens and mamas, discarded to live alone and fighting to survive.

Because you chose to be a hero, HSNEGA provided critical care and ample love and, thanks to you, we will continue to be there for the next abandoned animals who need help!

THANK YOU for being their hero and for being a part of our life-saving family!

Warm wags,

Julie you da BEST!! :)
