Special Needs ...

Your gift can help with
our Summer Fund Drive
today!

MAKE A GIFT

Dear Sandy,

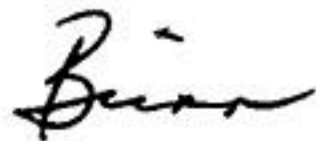

Summer can be a hard time for animals in the Miami Valley. Each day, we see more cats and dogs come in suffering from heat. Dehydration. Malnutrition. Neglect. It can get more and more challenging to care for them all.

Your [Summer Fund Drive](#) gift will help the Humane Society of Greater Dayton provide food, shelter and medical care to homeless animals in our community. Your gifts are especially needed right now as spring's higher birth rates have led to a tremendous increase in puppies and kittens brought in to us. At the same time, donations typically decrease dramatically during the summer — leading to lower supply levels.

You can [help the Summer Fund Drive by donating](#) to ensure these animals get the loving care they need until we can find them forever homes. Please don't let animals in our community suffer this summer. Make a gift today.

Thank you.

Sincerely,

A handwritten signature in black ink that reads "Brian".

HELP SAVE LIVES

Temperatures are on the rise, placing more cats, dogs and other animals in our community at risk. You can help give local animals the food, shelter and medical care they need this summer. Please, [make a generous Summer Fund Drive gift today!](#)
