

Act NOW to keep your MK emails coming!

Dear

I've noticed that you haven't opened any emails from us recently.

YES, I STILL WANT EMAILS FROM MIRIAM'S KITCHEN

Naturally, I don't want to clutter your inbox, but I'm excited about the ways Miriam's Kitchen is working to end chronic homelessness in Washington, DC and improving our guests lives. By continuing to receive MK emails, you can be among the first to find out when we end veteran homelessness (some time this year!) and then chronic homelessness. You can learn about guests like Linwood (pictured below), whose life was transformed when he recently moved into housing.
