

If you're able, please consider you could make a monthly donation of \$10 or \$25. You could help to save the Verde. Any amount helps.

In this time of global pandemic, many of the local businesses that support our work have been hit hard. Your support is needed now, more than ever, to keep our team working.

Your monthly donation of \$15 is enough to clear a quarter-mile of riverbank of nuisance plants like giant reed and salt cedar and keep it clear of invasive plants, year after year.

Your \$10 monthly donation will help us to keep over 100,000 gallons of water flowing in the Verde through our Verde River Exchange. That's like pouring *one million* glasses of water back into the river where it belongs!

Your gift now supports our streams and their healthy flows, which are vital for wildlife, like the playful otters inhabiting Tavaschi Marsh, the majestic bald eagles nesting alongside the river, and the singing Bewick's wrens building their nests in the chaparral.

Please, pick a pen to fill out the enclosed form or go to your computer, choose the amount you want to donate, and take a positive step towards saving the Verde.

Here are the ways you can make a donation:

- Donate online at VerdeRiver.org
- Call us at 928-274-2077
- Send a check in the envelope we've included (no cash, please!)
- Fill out and return the enclosed form with your credit card information

Help the Rivers Today

YES! I'm taking a stand to keep the Verde flowing... I know that the Verde River, Oak Creek, Fossil Creek, and all rivers and creeks in the Verde belong to me and I want to help by becoming a monthly supporter of Friends of the Verde River.

Hi Pamela,

Thanks for being part of our *Universal Fund* and supporting patients on Watsi! Unfortunately, your recent donations haven't been going through, but I have great news: a corporate partner has just offered to **match everyone who updates their monthly gift to Watsi by September 15th**. They want to do whatever they can to help us reach more patients during COVID-19.

Can you take a moment today to [update your giving details](#) so we can **double the impact** of your gift?

Also, we just launched a new way to donate monthly. You can now [update your account](#) to give via PayPal if you prefer. This will also count for the 2x match!

I know everyone is balancing a lot right now, so thank you for your continued support—it is truly transforming lives around the world.

Kindly,
Mackinnon
