**#VillagePossible**

Thanks to your generosity, this has been the year of fresh starts for hundreds of women at N Street Village. Women who previously could not see past their moment of crisis now believe in new and exciting possibilities for their future. They experienced what we call **Village Possible**, and it only happens because of you. You help create a supportive and safe community where healing and transformation is possible.

**Help Make More #VillagePossible This Holiday Season:**

 A **\$37 one-time donation** can provide 30 meals in our Day Center

 A **\$150 one-time donation** (or \$12.50 per month) can provide one week of services for a woman living in our Permanent Supportive Housing

 A **\$500 one-time donation** (or \$42 per month) can provide one month of medical supplies in our Wellness Center

Donate today and your contribution will be doubled, dollar for dollar, up to \$10,000 by an anonymous donor. Visit [nstreetvillage.org](http://nstreetvillage.org) to make your tax-deductible, year-end contribution today.
