TO: Pamela Grow,

Happy Valentine's Day! Our hearts grow with gratitude as we watch your generosity transform lives. So this year, we're giving our valentines where they're most deserved...

Here are a few special valentines for you from staff and guests at Nashville Rescue Mission.

Empathy and generosity we give to show we care,
Our money and our time with family and friends we freely share,
But when we give these gifts to strangers,
love transcends from mortal to divine,
Thank you for making the less fortunate your valentine.

FROM: BILLY ELDRIDGE
VP of Operations

"I'm so thankful for Nashville Rescue Mission, and that's why I'm able to come in here and do what I do, because of what the Mission has given me. One day, I will get in the recovery side to help others, but for now, I know God still wants me right here."

FROM: LULU

Life Recovery Program Graduate and Guest Services Specialist

My name is Malyia. Happy Valentine's Day! I wanted to say thank you for supporting the Mission because I am thankful to have a place to sleep, eat, and play. Your support has helped my family in a time of need. My favorite color is purple and my favorite food is pizza. One fun fact about me is I love to sing and draw. My favorite class in school is recess and I love playing with dolls. My favorite thing about myself is my hair. I love playing dolls and painting nails with my mom.

FROM: MALYIA

Guest of Nashville Rescue Mission

We hope you enjoy these thankful notes from a few of the faces spending their time here. They're only a small portion of the thanks you've earned. Thank you for being a part of the life-changing work that's being done.

We couldn't do this without you.
