The wonder of nature in Ontario

Hi Pamela,

We want to share a little holiday magic and have just put a special season's greetings card in the mail for you. I hope you'll open it as soon as it arrives.

During this busy season I hope you are able to take a moment and celebrate the wonders of nature and the joy of knowing that your support of Ontario Nature's work is making a positive difference for the wild spaces and wild species in our province.

We look forward to hearing from you!

We look forward to hearing from you!

Yours for nature,

A handwritten signature in green ink that reads "Caroline".

Caroline Schultz
Executive Director
