Because of you, homeless animals are filled with hope.
Your love is felt throughout our Adoption Center.
Thank you for your heartfelt support.

Handsome Hunk in Search of Soulmate

If you have a thing for high maintenance hunks, Mr. Mooney could be the love of your life! He is ready to learn and grow in a committed relationship with someone special. You should know up front that he doesn't do one-night stands. You'll need to dedicate about 2-3 weeks to get to know him before he starts to let you in. **If you're interested in dating Mr. Mooney, please call PAL at 843-645-1725 to get on his social calendar.** He prefers to make his first dates alfresco in the parking lot. As a true gentleman, he only invites the special ones into his bedroom.
