

Natalie Blackburn @nataliejbee · 9 Dec 2015

I've got such a fundraising crush on @SolarAid - this impact calculator is ACE. And excellent use of social too

Your donation amount	Impact
Estimated impact	
Number of solar lights	48
People with access to the solar lights	201
Income earned by families in 1 yr	5,000
Hours saved in 2015 (approx)	40,000
Hours of CO ₂ emissions avoided	20.4
Healthcare visits avoided	244

SolarAid @SolarAid

@adrianoldman That's because you are special! Just look at the impact of your £125, amazing or what.
