**PREEMPTIVE  
LOVE COALITION**

You fed 25k-30k people.

Wow, Pamela.

The 24-hour news cycle may have forgotten about Syria lately, but the war is still raging here. Families are still fleeing.

Ever since Aleppo fell, you've maintained an emergency feeding center, providing hot meals for up to 25-30,000 people each day.

Funding to sustain the Aleppo feeding center runs through the end of this month—that's less than a week away. But families are still coming to us—hungry and desperate—and we need your help to serve the growing need. Another 1,200 fled to the area just last week.

Help us keep serving families at the Aleppo feeding center through the hot summer months.

\$25 can help feed a family for a month.

\$250 can help feed 10 families for a month.
