

Save the Chimps

Love is the answer, and you know that for sure; love is a flower, you've got to let it grow.

### Great gift ideas that warm the heart.

This Valentine's Day, give your loved ones a special gift that shows you care—and supports our nearly 250 chimpanzee residents.

**Make a donation** in honor of a loved one and present them with a Chimpendine's Day certificate featuring September!

All gift donations made by February 7  
will be mailed in time for Valentine's Day.

**More great gift ideas:**

**Apparel** including hoodies, shirts, sunglasses, and more.

For a good read, give your loved one **Opening Doors - Carole Noon and Her Dream to Save the Chimps.**

Symbolically **adopt a chimp** and your loved one will receive an adoption certificate, biography, photo, and update on the chimpanzee you choose.

And for the most unique gift of all you can purchase **original art** by our chimpanzee artists.

**And much more!**

Remember some orders take more than a week to process and ship. To ensure your loved one receives your Valentine's Day gift in time, don't wait!

**Thank you for your support!**

## Tour the sanctuary!

Registration is open for our 2019 Member Day events taking place on two Saturdays - **February 16 and October 5**. This is your chance to catch a glimpse of our nearly 250 chimpanzee residents as you learn the history of Save the Chimps and hear stories about our beloved residents from key staff members. The chimps live on 12 separate 3-acre islands and have the freedom to run, play, visit with friends, find a quiet corner to relax, bask in the sun, or curl up in the shade. Seeing these sights is a one of a kind experience! Guided walking and trolley tours are available and registration is required.
