Meals, in-home care and more.

When you stand with us, you stand for seniors.

This holiday season we are on a mission. **We are asking you to stand with us.** You see, the well-being of our senior citizens is being threatened. 1 in 6 seniors don't know where their next meal is coming from. Many seniors live alone on limited income with little to no support. Maintaining their personal hygiene is difficult, as is keeping their homes clean and safe.

Together we can continue to make a difference in seniors' lives. Stories like Marjorie's encourage us not to give up. Too many seniors are depending on us. We know we can count on you to **stand with us, and stand for seniors.**

Thanks to you, seniors like Marjorie no longer feel isolated, alone and forgotten. Instead, they feel loved, cared for and connected to others in the community.
