

Pamela, as I finished up my Thanksgiving shopping yesterday, I was struck by how fortunate I truly am.

I have so many things to be thankful for: the friends and family who will join me tomorrow, the Thanksgiving meal we will share — and you.

I want to say thank you, Pamela. Thank you for your warm thoughts, words and generous support for Heifer International.

That's why I made you this card, and why I'm inviting you to make a Thanksgiving card of your own to share with your friends and family.

This year, we've seen an increase in wild tiger numbers from 3,200 in 2010 to nearly 3,900, proving that we can make a difference when we come together to tackle challenges. We also spoke up and influenced Belize to halt offshore drilling operations that would have put its fragile barrier reef at risk. And earlier this year, over 1 million of you stood up for elephants, motivating new US ivory regulations to help stop wildlife crime. You made these successes—and more—possible!

Thank you for standing with us, and we wish you and yours a wonderful Thanksgiving.

Sincerely,
Jessica & Sara

For each children's book or toy sold,
the IKEA Foundation will donate \$1 in
support of every child's right to play.

**LET'S
PLAY**
FOR CHANGE

Purchase a children's book or toy from IKEA during our Play for Change campaign and support the creation of safe learning spaces for children in Jordan and Lebanon who have fled the ongoing conflict in Syria.

“Play is important to children everywhere but for children overcoming the brutality of war it is vital. Creating a safe space to play is the first step in allowing them to reclaim their childhood and begin to rebuild their future after the years of violence and trauma.

It is wonderful that the IKEA Foundation has chosen to support these children.”
