Pamela,

With just a month until the election, we thought we would lighten the mood a little with a list of things that make us laugh:

Like this swimming fawn:

This dog on a trampoline:

This hedgehog stuck in a sock:

This hamster with stuffed cheeks:

This hamster with stuffed cheeks:

And this cat on a record player:

But you know what doesn't make us laugh? The way Donald Trump has broken promise after promise to Pennsylvanians -- or the fact that Brian Fitzpatrick has done nothing but enable him since the day they both took office.

It's time for a leader in Congress who will stand up and fight back against Trump's extreme agenda and hold him accountable to the people he was elected to serve. But we only have one more month to get it done.

[We're ready to finish this last month strong, but we need your help to make it happen. Chip in \\$11.60 to represent Election Day, November 6th, and help us send a leader like Scott to Congress.](#)

Thank you,

Allison Walsh
Deputy Finance Director
Scott Wallace for Congress
