

SHE JUST WANTS HER MOM FOR CHRISTMAS

You can help bring her home

Dear Aimee,

Every 2 and a half hours, a child is taken by a human trafficker.

Right now, a little girl needs you to rescue her. She needs you to help catch the bad guy so he can't hurt her anymore.

Every minute we wait, her life is in danger.

Please give a gift today and together, we'll work to get her home.

Donate at www.website.org/bringherhome or send a check to the address above.

With much hope and gratitude,
