# Thank You!

Dear Pamela,

I just wanted to take a few minutes to say thank you! Thank you for the years of support, thank you for the kind words, thank you for the love, and thank you for the care you have given to Ten Oaks.

20 years ago, Ten Oaks began with a hope of creating a space for kids from queer and trans families. Since then the organization has grown leaps and bounds. Your generosity and love has made all of this happen:

Camp Ten Oaks grew from 22 campers in 2005 to 171 campers in 2024

Camp Lifting Leaves welcomes campers from all around Ontario from Kenora, Sudbury, London, Cornwall, Toronto and so many more

Families in Transition has supported over 50 families in the Ottawa area build better relationships with their trans or gender-diverse youth

Shaping Parenthood has led to the creation of many queer and trans families. This program has offered over 25 sessions over the past few years.

Leaf Links officially launched in 2024! Since then we have hosted 11 monthly sessions and welcomed nearly 70 youth in total.

Trans About Town has hosted 25 events just in the past year with over 150 attendees in total.

Your kindness has made all of this possible. So I thank you from the bottom of my heart. The tiny acorn of hope that was planted 20 years ago has grown into a truly mighty oaks!

Thank you for your generosity, love and support!

Take care,

**Kymani** Montgomery  
Executive Director
