Pamela,

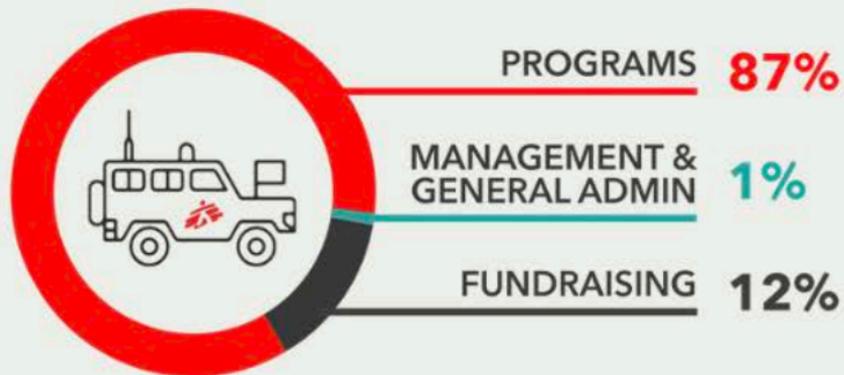

From transporting patients on our medical trains in Ukraine to delivering maternity care in remote villages in Afghanistan, Doctors Without Borders/Médecins Sans Frontières (MSF) addresses a wide range of medical needs around the world. And it's supporters like you who allow us to operate independently in any context—**we provide care to whoever needs it most.**

Because our lifesaving work is made possible by you, we highly value your opinion. [We want to know what aspect of MSF's work is most inspiring to you.](#)

[Pamela, please take a few seconds to fill out this brief survey. Your input matters so much to us.](#)

## Tell us what matters to you

As a valued supporter who makes our lifesaving projects possible, we want to know what inspires you about Doctors Without Borders/Médecins Sans Frontières (MSF).

Which issue that MSF works to address matters most to you? Your answer will help us send you updates that match your interests.

- Responding to conflict and treating war-wounded patients
- Advocating for equal access to medicine worldwide and eliminating barriers to care in low- and middle-income countries
- Responding to natural disasters like earthquakes, floods, severe drought, etc.
- Children's health and/or maternal health care
- Providing mental health and psychological care
- Preventing disease outbreaks and/or MSF's vaccination campaigns
- Other (please provide details below)
