Friend, hundreds of people have already weighed in with their thoughts on Oxfam's priorities and direction. We'll be evaluating the results soon, so we wanted to give you one last chance to complete the survey. **If you want to be included, please take the survey before Friday at midnight.**

P.S. If you have already completed our survey, please accept our thanks for your unwavering support.

TAKE THE SURVEY

Dear Friend,

Your steadfast support has been crucial to Oxfam's work helping people to take steps out of poverty. As we look ahead to the challenges on the horizon, we'd like to hear from you about some of our organization's key issues.

Tell us what you think – we promise it'll take less than 10 minutes of your time to complete.

This yearly survey is your chance to let us know about where you think Oxfam should be going long-term. That's why it's so important that we hear from you today.

We value our supporters' input and truly take into account the issues you care about when setting our priorities. Your responses, along with those of other Oxfam supporters around the country, will help us as we plan for the years to come.

Take a moment to complete this important survey right now.
