Sharing some WikiLove for you

Dear Pamela,

Have you ever experienced that special feeling

of being part of a community? Wikipedians have a word for that feeling of belonging and appreciation: **WikiLove**. As a donor to the Wikimedia Foundation, I'm sure you've felt WikiLove, even if you didn't know the word for it until now. That feeling of community is essential to our goal. No matter our role, we're all on the same mission together: to create, use, and share the world's knowledge with everyone.

I wanted to take a moment to share some WikiLove for you. It's your ongoing generosity that keeps Wikipedia alive and vibrant. Your recurring gift supports the 265,000+ volunteers, organizations, and groups that collaborate across 14 Wikimedia projects to bring the world's knowledge to everyone, no matter where they are in the world. Because of you, they can continue spreading WikiLove through their work, day after day, month after month. **Thank you for being there each month too, Pamela.**

💡 Did you know?

In addition to all of the work volunteers do to maintain Wikipedia as a trustworthy, global resource, many participate in contests to share and celebrate the world's culture and history through photography and video: The "Wiki Loves" contests.

These events are the visual expression of the deeply human work communities do: **sharing knowledge as an act of love**. Love for our folklore, love for our natural and cultural heritage, and love for the world we all share.

Whether you use Wikipedia to nurture personal growth, dive deeper into interests, or ignite that spark of curiosity, know your generosity and regular support make you an integral part of our shared mission.

With you by our side, we are able to achieve our long-term goals and make sure that everyone can feel the joy of learning through articles, photos, videos, and so much more that Wikimedia offers.

As a small token of appreciation,
we're offering you a 15% discount on any product from the Wikipedia Store so you can continue spreading your WikiLove to the world!

Use code **TY15** to get your discount.

We are in this together, and I'm grateful that you're a part of our global community.

Thank you again. 🗨️

With heartfelt appreciation,
