Christmas Day is in our grasp so long as we have hands to grasp.

Dear First Name,

Just like the Grinch, our hearts grew three sizes today...all because of you!

Your donation of \$\$\$\$ gives the gift of communication. Communication in the form of batteries for hearing aids, Listening and Spoken Language therapy and speech services.

Our students may not need snoof, tringlers and fuzzles like the Hoos, but your contribution will help fund hands-on learning experiences like play housekeeping, block construction and sensory table investigation.

Today, the true meaning of Christmas came through, and just like the Grinch, we found the strength of ten Grinches, plus two!

On behalf of our board, staff and students, Happy Holidays and Happy New Year!

Welcome Christmas while we stand heart to heart and hand in hand,

Cindy "Lou Who" Timmermann
Development Manager
